

Grumpy's Bar-B-Que Roadhouse

Welcome

.....

True Bar-B-Que is what we are about.

.....

We rub our meats with our house seasoning mix before slow cooking in our Hickory pits for up to twelve hours. The result is a tender moist product that is true Barbecue.

Seeing Pink? If you notice your meat is pink around the outside, this a normal occurrence that results from hours of exposure to the natural smoking process resulting in what is known as the "Smoke Ring" in the world of Bar-B-Que. All our meats are cooked for long periods of time to insure their doneness and to achieve that unique flavor.

We are not fast-food barbecue!
